UNAUTHORIZED SALES AND WARRANTY POLICY

Any sale of Legend Fitness products by an unauthorized source or by any other manner not authorized by Legend Fitness shall void the warranty on the applicable product(s). Authorized Legend Fitness dealers and resellers have the knowledge and training to supply you with Legend Fitness products that best meet your needs and to install those products so that you'll enjoy their maximum performance. Legend Fitness factory warranty is only valid on products purchased direct from a Legend Fitness Sales Representative or from an authorized Legend Fitness Dealer or approved Reseller.

- This warranty applies to only the original purchaser and is not transferable.
- Under no circumstances will Legend Fitness be liable by virtue of this warranty or otherwise for damage to any person or property whatsoever for any special, indirect, incidental, secondary or consequential losses, damages, or expenses in connection with exercise products.
- This warranty is expressly limited to the repair or replacement of a defective component of Legend Fitness manufacture. Repair or replacement will be at the discretion of Legend Fitness and is the sole remedy of the warranty.
- Use of the equipment in any environment that is subject to excessive temperatures or moisture may void the warranty.
- This warranty does not cover normal wear and tear – including, but not limited to: cables, belts, chains, wearguards, powder coat finishes, upholstery cuts or any other incidental damage as a result of regular use and attrition or improper cleaning (use of bleaches and alcohols).
- This warranty does not cover damage that is not a result of a manufacturer defect, including improper assembly, inadequate maintenance, or installation of other parts or components not manufactured or supplied by Legend Fitness.
- This warranty does not cover damage or failure as a result of an accident, abuse, corrosion, use of the device other than its intended purpose, discoloration of paint or plastic, neglect, theft, vandalism, fire, flood, lightning, freezing or other natural disasters, collision, or unauthorized modifications.

OUR FACTORY WARRANTY IS VOID IF

- You purchase used or pre-owned Legend product(s) from a private party, facility or unauthorized source.
- You purchase Legend Fitness product(s) from an Internet site not authorized by Legend Fitness.

Legend Fitness recommends that you verify if the Dealer or Reseller you are considering is an authorized Legend equipment dealer by contacting the Legend Fitness headquarters. This is especially important when considering purchasing Legend Fitness products over the Internet.
